**Appliques – Wall lights**

*Link* peut être installée horizontalement ou verticalement.  
*Link* can be placed both horizontally or vertically on the wall.

Longueurs sur mesure possibles.  
 Custom dimensions available upon request.

**UL Version**  
 fitted plate to cover outlet power box

**Description**  
**Features**

Cette applique est réglable sur 2 axes. Le tube avant, dans lequel se trouve la LED tourne afin de diriger la lumière dans n'importe quelle direction. L'ensemble formant un cadre peut également pivoter de haut en bas si l'applique est installée à l'horizontale, ou de gauche à droite si elle est installée à la verticale.

The wall light is adjustable in 2 ways. The front LED bar can be spinned around to diffuse the light in any direction and the rectangular frame can be flipped up and down when the light is positioned horizontally, and side to side when positioned vertically.

**Liseuses murales – Reading wall lights**

Lampadaire – Floor lamp

## Suspension - Pendant

## TECHNICAL ADVICE

The technical characteristics provided in this document are for information purposes only and are subject to change, due to permanent evolution of LED technology.

All dimensions are approximate and may vary slightly.

### LIGHT BULBS

Use only the type of light bulb and maximum wattage shown otherwise you may damage the light fitting. Failure to use the correct light bulb and wattage will affect the warranty.

### CARE INSTRUCTIONS

Wipe with a soft cloth –do not use any cleaning products. All our light fittings are lacquered to ensure the longevity of the product– under no circumstances use detergents or solvents.

The company reserves the right to modify its products at any time without notice.
